**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who support broadband competition. We all need good services at low price. Don't let giants like AT&T grab the market and provide services that can be very poor sometimes. Thank you.

I have a friend in a rural area and she needs to continue having such services. Phone and internet are vital for everybody these days. Don't take measures that could cut some people off by changing the prices to customers in a negative way.

Thank you,

Regards,
